PRINCIPAL'S MESSAGE:

Our weather is beginning to cool down. Please make sure your child(ren) is dressed appropriately. This would be a good time to start sending a jacket to school so your child(ren) is prepared for the changing weather.

We have a couple major events in November! Please pay close attention to dates and times:

Literacy Night is on **Thursday, November 12th** **from 5:00 - 7:00 p.m.** We will be helping Washington County School District celebrate 100 Years of Education! We will be focusing our games and activities on books that are around 100 years old. Teachers are creating these activities and are excited to share them with you. We will have a light

dinner and our Book Fair will also be open this night. Come and join us!

SEPs dates and times are different this year! Monday and Tuesday, November 16th and 17th, school will dismiss at 1:15 p.m. for 1st through 5th grades. There will be NO Kindergarten on these days. Then the rest of the school week is regular schedule for ALL students. Wednesday, November 18th will be an evening session of SEPs from 4:00 - 7:00 p.m. Your child(ren)'s teacher will be in contact with you shortly about a date and time if you haven't already heard from them. We value this time to discuss your child's education specific to him/her. **Please make this a priority to attend!**

November 25th - 27th will be our Thanksgiving Break. Enjoy time with your family and friends.

I want to thank all of those that helped make Principal's Week so fun and so special! I received so many cards, letters, posters, and songs/chants. I feel honored to be principal at such a supportive school, with wonderful students, teachers, and parents.

Title I Notes:

Preschool – Through Title I funds, Coral Canyon Elementary is able to have an outstanding Preschool. Most studies show that children in a language rich environment learn over 4,000 new words between the ages of four and five. At this time, we still have a few open spots in our Preschool. If you are interested in having your 4 year old attend our Preschool or would like more information, please give our secretaries a call at 652-4787.

We are also very fortunate to have a **Before and After School Intervention Program** at our school. Students are able to utilize our **Waterford** and **SuccessMaker** Program. **Waterford** is designed for the lower grades, K – 2, while **SuccessMaker** is designed for upper grades, 3 – 5. Each program individualizes instruction based on the student's learning level. Students are supported with additional instruction, helpful tools, and targeted practice.

The SuccessMaker/Waterford lab is available in the morning from 8 a.m. to 8:40 a.m. Monday through Friday OR after school Monday through Thursday from 3:35 p.m. to 4:15 p.m. Parents or guardians are responsible for transportation. If your child has breakfast at school, s/he will be excused in time to go and eat breakfast. If you have any questions or would like your child to participate, please call Mr. Nelson, our Title I Site Coordinator at 652-4787.

From the Reading Specialist:

Young, developing, readers must learn to look carefully at print, but they also need to know that

the story makes sense. Parents can help their young children use the pictures to understand what is happening in the story. Covering up the picture removes key information that helps readers, just as photographs support our reading of a magazine.

School Breakfast Facts

A great breakfast program is offered at school every day!

Here are some fun facts about school breakfast:

- It's easy! Instead of running around in the morning trying to make sure your children eat a healthy meal, let us do the work. They can get a great breakfast at school, and there will be no dishes for you to wash!
- It's affordable! If qualified, your child may be able to get breakfast at a reduced price or for free. If your child already eats a free or reduced price lunch, they automatically qualify for a free or reduced price breakfast.
- It's tasty! Schools now have more variety to choose from when deciding what to offer your children for breakfast. Request a menu so you can view what your child may be eating at school.
- It's good for the brain! Research suggests that not having breakfast can affect Children's Intellectual Performance (CDC).
