

Coral Canyon Elementary
February 28, 2017

In Attendance: Jennifer Eggleston (Principal), Dustin Nelson (Title I Coordinator), Ann Schneider (Reading Specialist), Katie Christensen (teacher), Tammy Himmelright (parent and Community Council Chairperson), Parents: Cyndi Cheney

Meeting Called to Order: 8:04

Review and Approval of Minutes: The minutes for October 25, 2016, were read and approved by the committee unanimously.

Handouts: Today's agenda:

- Approval of Safe Technology & Digital Citizenship Plan. Discussion of the plan included:
 - ✓ Each child having an email and the safety concerns around that. Jen will talk to Charlie Roberts about how they are protected and informing parents how to access it.
 - ✓ Training of students for safe use of the internet

The plan was read and approved by the committee unanimously.

School LAND Trust Progress Report:

- Remaining funds could be used to replace Chrome Books
- Katie asked if Apps could be purchased for lower grades who don't have Chrome Books. Jen will look into that.
- Discussion on what it takes to apply for a state identified STEM school. The state is discouraging all acronyms that play off of STEM, ie STREAM.
 - ✓ Grants can help teachers get STEM endorsement. Trust Lands funds cannot.
- We will get a half time music teacher next year.
- DIBEL and SAGE scores. Goal to increase scores is funded by support staff.

School Trust Lands Plan 2017-18 budget was reviewed, discussed and approved. Jen will contact the committee members about signing the final plan

Concerns:

- Improve communication between classroom and parents in grades with a large number of students. Concerns were expressed from parents about students' motivation and attitudes slipping.

Future Meetings: none scheduled

Meeting was adjourned at 8:47.
