

Coral Canyon Elementary School-Wide Plan Summary 2015-16

Students in K -5 will score proficient, exceed previous year's score, or if significantly below grade level will demonstrate a year's growth plus 20% in Grade Level Literacy and Math *GVC* (Guaranteed Viable Curriculum) using common-based assessments determined by grade levels and approved by administration.

Individual grade levels have goals and strategies specific to their needs. Grade level areas of focus are as follows:

Kindergarten:	Integrating Technology and Guided Reading
1 st Grade:	Integrating Technology, Daily 5, Reading fluency, Math Utah Core
2 nd Grade:	Integrating Technology, Writing, Reading fluency, Math Utah Core
3 rd Grade:	Integrating Technology, Reading fluency and comprehension
4 th Grade:	Integrating Technology, Writing, Math Utah Core
5 th Grade:	Integrating Technology, Writing, Math Utah Core

We will achieve these goals by: implementation and continued use of district programs (*Treasures* and *MyMath*), continued professional development for teachers, differentiated instruction, Tier 2 and Tier 3 interventions, before/after school tutoring, SuccessMaker, Watereford, Extended Day Kindergarten (OEK), Preschool, and paraprofessionals for Literacy & Math support. We will also continue to add technology devices to help enhance learning.

We will determine our progress throughout the year by: analyzing data collected from *Treasures* and *MyMath* weekly, chapter, and benchmark tests, grade-level common based assessments, as well as District Benchmark Science Tests.

Distribution Methods:

Posted to school website, email, hard copy.

Date Distributed: November 30, 2015
