OCTOBER 2016

VOL. 2

PRINCIPAL'S MESSAGE:

The wind starts to blow... the breeze becomes cooler.... And all of a sudden, it's October! Last time I checked, school had just started. Where oh where does all of this time go? May we please keep our students young forever!

I know the big question on every parent's mind is the plan for Halloween. If you have been with us in previous years, our celebration will be much like the traditional Halloween Parade. However, in an effort to allow students to see each other in costume, we have made a few changes.

The **Halloween Train will begin at 9:30 a.m. on Monday, October 31st.** Bring your blankets, bring your chairs... whatever you need to be comfortable sitting around the track. ****Parents will be allowed to sit along the short sides of the track, the sides that run parallel to Canyon Crest Avenue. This would be the South and North sides of the track. Parents, please sit on the inside AND around the outside of the track.****

I will lead the TRAIN around the track with our preschool students right behind me. Classes will be spread out around the track in assigned areas. As we pass each class, they will join on to the end of our TRAIN, filing right in, joining on to the back of our TRAIN. When a class gets back around the track to where they first began, they will step off the track into their originally scheduled spot. They will then watch the rest of the students parade around. This will allow parents, teachers, AND students to see all costumes.

PRESCHOOL & KINDERGARTEN STUDENTS: All sessions of Preschool and Kindergarten will be held at the regularly scheduled times. If you would like your child to participate in the school Halloween Train, you will need to bring your child to school and have him/her on the track in the assigned spot before 9:30 a.m. (PLEASE contact your child's teacher if you plan on doing this so we know for sure what students are here.)

Also a reminder that there are NO weapons or bloody costumes allowed at all! We also do not want students wearing masks as they will be walking around the track and need to see where they are going. Please plan appropriately as you are choosing costumes this year.

Let's have a great month focused on **RESPECT and SAFETY** throughout the Halloween holiday! :o)

From the Reading Specialist:

The time you spend reading to a child, listening to him/her read, or discussing what is in a book to promote critical thinking is a gift. Give that gift every day and it will last a lifetime!

Title I Notes:

If your child is struggling or needs extra support in reading or math, Coral Canyon Elementary has a **Before and After School Intervention Program** that can help. You can sign up your child to attend our program either before school or after. Students are able to utilize our **Waterford** and **iReady** computer

program. **Waterford** is designed for the lower grades, K – 2, and specializes in Language Arts. **iReady** is designed for upper grades, 3 – 5 and students are able to

access both Language Arts and Math. Each program individualizes instruction based on each student's learning level. Students are supported with additional instruction, helpful tools, and targeted practice.

The **Waterford/iReady lab** is available in the morning from 8:15 a.m. to 8:40 a.m. Monday through Friday **OR** after school Monday through Thursday from 3:35 p.m. to 4:10 p.m. **Parents or guardians are responsible for transportation.** If your child has breakfast at school, s/he will be excused in time to go and eat breakfast. Students who stay after school will receive a healthy snack before going to the lab. If you have any questions or would like your child to participate, please call Mr. Nelson, our Title I Site Coordinator at 652-4787.

Reflections

The Reflections Theme for the 2016-17 school year is:

"What Is Your Story?"

Reflections is an opportunity for your child to showcase their artistic abilities in Dance Choreography, Film Production, Literature, Music Composition, Photography and Visual Arts.

Please pick up applications and rules from the office.

Reflections are due Thursday, October 20, 2016.
