- **April Events Review:**
 - **Book Fair**
 - **Coral Canyon's Got Talent-** Went well. Need to communicate better with the janitor for next year. The AC was turned off half way through, and the sound was having issues. We will look in to wireless mics for next year.
 - **Movie Night -**The movie night had online sales of \$880, will continue site for next year. Feedback seemed good, lines moved along well. Considering changing it from a movie night to just the carnival. That is where the children wanted to stay, and after the rain, most people left anyway. It cost \$500 to show the movie, so possibly apply that money to our own carnival games? Maybe also consider renting more stuff from the dunk tank guy? Will discuss more next year.
