

School-Family Compact

Together We Learn • Together We Grow • Together We Succeed

SHARED RESPONSIBILITY FOR STUDENT ACHIEVEMENT

Coral Canyon Elementary believes that high student achievement is a shared responsibility. Our school staff, parents/family members, and students each play an essential and distinct role in a child's success, and this compact describes how each of us commits to working together, all school year long, so that every Coral Canyon Colt learns at high levels and meets Utah's academic standards.

SCHOOL

We are committed to providing high-quality curriculum and instruction to every student, in partnership with families, so that every child can learn at high levels.

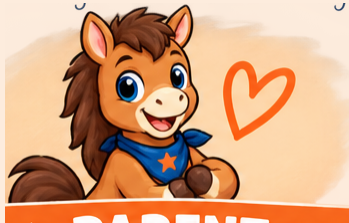

As Coral Canyon Elementary, we will:

High-Quality Instruction

- Deliver high-quality, standards-aligned instruction using research-based strategies (small-group teaching, targeted interventions, and enrichment) to meet the individual needs of every student.
- Provide a safe, positive, and supportive learning environment with high expectations for students, staff, and families alike.
- Collaborate regularly as a staff to review student data and adjust instruction so all students, including those served by Title I-A, meet Utah's academic standards.

Our Everyday Commitments

- Hold parent-teacher conferences and other family engagement events throughout the year.
- Provide regular, easy-to-understand progress reports and keep family communication ongoing and two-way.
- Welcome families to visit, volunteer, and ask questions any time.
- Treat students, parents, and staff with respect.

PARENT

I understand that my child's education is essential to their success in life, and that elementary education is the foundation for all future learning. I share in the responsibility for my child's achievement and commit to the following.

As a parent/family member, I will:

- Support the Mission, Vision, Shared Commitment, and Goals of Coral Canyon Elementary.
- Ensure my child attends school on time every day, unless ill.
- Encourage my child to complete schoolwork and follow school rules.
- Teach and encourage a positive attitude about school and learning.
- Make my child's education and learning a daily priority.
- **Attend parent-teacher conferences** at least once a year and other school activities with my child.
- **Review progress reports** and check my child's grades/assignments regularly, using the tools the school provides.
- **Reach out and stay in touch** — contacting my student's teacher with questions or concerns, and letting the school know if I need information in a different language.
- **Take advantage of opportunities to volunteer or visit** my child's classroom.

STUDENT

I know that my education is the key to my future, and that being successful now will prepare me for the future. I share the responsibility for my own learning and commit to the following.

As a Coral Canyon Elementary student, I will:

- Arrive to school on time every day, unless I am sick.
- Follow the school rules in all areas of the school.
- Complete and turn in my schoolwork on time.
- Share my progress reports, work, and letters with my parents.
- Put forth my best effort every day.
- Accept responsibility for my actions.
- Have a positive attitude about learning and school.
- Treat teachers, students, and staff with respect.

ONGOING COMMUNICATION

How Coral Canyon Elementary and families will stay connected all year long

A Parent-Teacher Conferences We hold parent-teacher conferences at least twice each year (fall and spring). This School-Family Compact is reviewed and discussed together with each family at conferences, so goals and expectations stay current.	B Progress Reports Families receive a report card each term, plus ongoing access to grades, assignments, and progress-monitoring updates through our online student portal — so parents can monitor their child's mastery of the Utah Academic Standards.
C Family Access & Volunteering Parents/family members may reach staff by email, phone, or a scheduled appointment, and are welcome to volunteer, participate in classroom activities, and observe instruction. Simply check in at the front office and arrange a time in advance with the teacher.	D Two-Way Communication We maintain ongoing, two-way, meaningful communication through weekly newsletters, our school app, phone calls, emails, and in-person meetings. Interpretation and translated materials are provided, upon request, in a language each family understands.

OUR COMPACT, TOGETHER

This compact was developed together with families and staff, and we each agree to uphold our commitments above throughout the school year.
